

UPDATE

The dates for the combined SARNZ/SRIIT Conference have now been confirmed as the 3rd and 4th of July, and the venue as the Hawkes Bay Sports Fishing Club on Nelson Quay, Ahuriri, Napier.

Anyone wanting to attend, and who has not already done so through SARNZ Inc should let Marja at SARNZ know so that numbers can be confirmed for catering etc.

There is an arranged dinner on the Friday night which you will also need to book if

you intend going. Marja can be contacted on info@bsc.org.nz or by ringing 045-890-253. Those of you who are or have been members will have received accounts by now, so don't be shy - send your subs in.

Those of you who aren't members should be, so feel free to download an application form from the web site and go for it.

I understand that all current members of the Management Committee who are up for election this year

are standing again, but there are a couple of Industry Representative slots open if you're interested.

One for one year and the other for two. Nomination forms can be obtained from me. Remember that the nominator, Secunder, and nominee all need to be financial members of SRIIT

As reported in the last newsletter, the BCITO is co-operating with OTTO in applying to NZQA for the transfer of their scaffolding and harness unit standards to us.

Another bureaucratic mountain to be climbed but we hope to report real progress at the Conference.

Hope to see as many of you there as possible.
